The purpose of the program is to enable parents and children to have positive and affirming conversations on topics of race. As parents we face many challenges when it comes to discussing race with our children. Often we feel uncomfortable or are unable to relate to the challenges our children face at school and on the playground. Join OCA Greater Philadelphia for our inaugural Race Dialogues program.

For Adults & Teens: Guided book discussion featuring American Born Chinese by Gene Luen Yang

For Elementary Age Children: Guided book discussion featuring Let's Talk about Race by Julius Lester

Books Available from: Amazon.com, Chinasprout.com (Chinese version of American Born Chinese)

Note to Parents: Please purchase and read the 2 books prior to June 13.
